

THE DALE CARNEGIE COLLEGE PROGRAM

ARE YOU READY TO DISCOVER.....

SKILLS THAT LAST A LIFETIME?

The College Program is designed to prepare young adults for the real world. It gives them the skills they need to reach their goals and live up to their full potential – at school, home, and work!

This program is for college students who are between the ages of 18 and 22 years old.

Today, the world is more complex, competitive and demanding than ever before. Young adults often need to balance school, work and relationships while at the same time, working and planning for their future.

“This course has doubled my self-confidence” – Allison, Freshman

“This program gives you access to knowledge that would normally take a lifetime to learn. The skills I developed from this program will help me for the rest of my life.” - John M., Junior

This course focuses on five key areas that are critical for future success:

- Building Self-Confidence
- Enhancing Communication
- Improving People Skills
- Teamwork and Leadership
- Managing Stress and Worry

How Participants Benefit:

Graduates tell us that their new skills have made them:

- Highly focused on their goals
- Better decision makers when faced with difficult choices
- More persuasive communicators
- Better prepared in college or during job interviews
- Able to confront problems and challenges in a more positive way
- Confident to speak up in class or on the job

This made life accomplishments and goals clearer to me!
Chris, Senior

College Credits Available!
Earn 2 college credits
at a lower cost per credit hour than most colleges and universities.
