DALE CARNEGIE TRAINING

Dear Sirs:

The sales teams from Danbury Plumbing Supply Company and The Creative Bath want to express our appreciation to Scott Fenwick and his presentation of your Sales Advantage course.

Although we came from every level of experience and sales position possible, each of us has come away with valuable advice and the practical techniques needed to incorporate it into our daily lives as salespeople.

Many of us were skeptical of the course at the very beginning, but every one of us who has followed it through to the end agrees that we have all become more effective, confident and successful at our jobs.

Once again our thanks to Scott and to the Sales Advantage program.

Cindy Pagan
